

• We have ad that there hath ben and shal be a difference
betwene the parishes of Culliton and the parish of
Brancombe concerning the repairing of the great
high way beginning at hangman stone; and the end
of the way westward towards Exeter, as follows of
those parishes parts; and we have chosen of
Constray pole and common water of 3; further with
betwene us to advise how farre each parish shall
repair; who have this day subscribed and bene
this way witness these presences that we
this Bartlett Esq; and Nicholas Wheaton of the
parish of Brancombe; for us by oblige our
selves in the sum of twenty pounds on the behalf
of our parish of Brancombe to them to give a word
and determination of the sd. Constray pole and
common waters; to be pd to the parish of Culliton
in case we shall not conform to thier determination
to be pd by us within six weeks of the date hereof
so that the determination be signed by the sd. Constray
and common water within ten days of the date hereof
witness our hands and seals in Culliton this 29. day
of September 1681
