Dear Sir.

I have rec^d your favor this morning with the enclosed Measure of the two Fields. my Valuation of which you will have as under, and I do not think you would do wrong, to let Mr. Saller have the other Moiety of the same Field at that Valuation, and for what Term the Toffees can do so. I have writ Mr. Saller my Ideas on the subject and therefore need not trouble you with a repetition and hope you will find the two parcels to lot for a certainty and without risk at the valuation, but remember this no regular Farmer can give any thing like the Sums.

I am.

Dear Sir.
