Sir

You wished me to
write to you and let you
know something about the
Gravelbeach belong to your
Parish you say that the
Miss Carters house is given
one Pound a Year for it - but
within the few years nearly
all the soil is washed
away so there is nothing left

but a gravel beach so
I cannot give any more than
10^s a year for it.

Remain Yours

Truly Y^r Servant,
