TO GEORGE P. R. PULMAN  
Proprietor of "Pulman's Weekly News and Advertiser."

This Paper has attained a circulation of from 6,000 to 7,000 copies weekly, among the Gentry, Clergy, Professional Men, Agriculturists, Merchants, Tradesmen, and Working Classes in a district in Somerset, Dorset, and Devon which includes at least 300 parishes and 800,000 inhabitants. It therefore obviously presents an efficient medium for advertisements, being, moreover, thoroughly independent of all parties and sects.

It is published every Tuesday morning, and contains TELEGRAPHIC REPORTS OF THE LONDON CORN AND CATTLE MARKETS OF MONDAY. Price of the Paper, 1½d; stamped, 2d—in advance. \* \* Sums under 5s received in uncut postage stamps, but no acknowledgment made without the enclosure of an extra stamp.

No Agent or Newsmen has authority to give receipts. The only valid receipts given are at the Offices, Crewkerne and Axminster, and by the authorised Collector.

County Newspaper for Somerset.

At the Quarter Sessions held at Wells during the second week of April, 1872, it was carried unanimously that, on the recommendation of the Finance Committee, the Somerset County Advertisements be henceforth inserted regularly in "Pulman's Weekly News."
