 Insurances can be effected for securing indemnity for the loss of RENT, in case of Fire.
LONG TERM INSURANCES.—The abolition of the Fire Insurance Duty having greatly facilitated the effecting of Insurances for more years than one, the Managers of the SUN FIRE OFFICE wish to call the attention of the public to the advantages of such a system. Insurances can now be effected for several years by a single payment, a discount of 5 per cent. per Annum compound Interest being allowed on the Premium for every year, except the first; or, if preferred, an Insurance may be effected for Seven years by a present payment of Six years' Premium.
 All Persons insuring with this Office, are required to pay their Premiums within fifteen days after the Quarter-day on which they become due, and in the event of a loss occurring, the non-receipt of a Notice cannot be accepted as an excuse for non-payment.
