CONDITIONS OF ASSURANCE.

1.—This Policy does not insure against death or disablement, directly or indirectly caused by, arising from, or traceable to any of the following, viz: Self injury or suicide, fits, intoxicating liquors, insanity, rupture, varicose veins, any unlawful act, violation of a Railway Company's bye-laws, rules or regulations, war, invasion, civil commotion, popular riot, or the wilful exposure of the Assured to unnecessary danger, except in the effort to save human life.

2.—In the event of any accident or disablement hereby assured against happening to any of the Persons Assured, notice thereof in writing shall be mailed or posted to the Corporation at its Head Office in London within fourteen days of its occurrence. The Proposers shall, at their own expense, forward to the said Office, within the space of seven days after demand, a written report from a medical attendant, who shall be a duly qualified and registered medical practitioner, of the facts of the case and the nature and extent of the injuries received, and generally all such information in support of the claim as the Corporation shall reasonably require, and in case of loss of sight or amputation occurring more than fourteen days after the accident, notice as aforesaid must be given within one calendar month of such loss of sight or amputation. Provided that all sums payable hereunder shall be payable at the Head Office of the Corporation in London, and in the case of a claim by death, permanent total or permanent partial disablement, shall be payable within one calendar month after such personal injury, and the cause and result thereof shall have been proved to the satisfaction of the Directors of the Corporation, and such information as is required by the Conditions of this Policy shall have been furnished, and only on the delivery of this Policy cancelled and discharged as regards such Person Assured, and in the case of a claim for temporary total or partial disablement, only upon the termination of such disablement, and no sum payable under this Policy shall carry interest, and the Corporation shall cease to be liable for any such sum unless claimed within one year after it has become due.

3.—If required by the Corporation, the Medical, Surgical, or other Agent of the Corporation shall, in case of any accident to any of the Persons Assured, be admitted at all reasonable times to see and examine the nature of the injury sustained by the Person Assured whilst the Person Assured is suffering from the effects of the same; and in the event of death to make a post-mortem examination of the body of the Person Assured.

4.—The Proposers shall, on tendering any premium for the renewal of this Policy give notice in writing

to the Corporation of any disease or physical defect or infirmity with which any of the Persons Assured have become affected since the payment of the next preceding premium.

5.—Any circumstances in relation to these Conditions coming to the knowledge of any local Agent or Manager, shall not be notice to, or be held to bind, or prejudicially affect the Corporation, notwithstanding the subsequent acceptance of any premium, nor will the Corporation be bound by any receipt, except it be on its printed office form for the time being.

6.—The Corporation may at any time by notice in writing determine this Policy. Provided that the Corporation shall return to the Proposers the then last premium paid by them less a pro rata part thereof for the portion of the current insurance period which shall have expired. Such notice shall be deemed sufficiently given if posted in London addressed to the Proposer at the within-mentioned address, or at any later address, of which notice in writing shall have been given to the Corporation, and shall be deemed to have been received by them at the time when the same would be delivered in the ordinary course of post.

7.—The premiums payable in respect of this Policy shall become due on the day of the date hereof in each year, and shall be paid within fourteen days after the day on which the same respectively became due, and if not so paid this Policy shall lapse, but during such fourteen days the Corporation shall be liable in respect of this Policy as if such premium had been paid on the day on which the same became due, provided that it shall be proved to the satisfaction of the Corporation that the Proposers intended to renew this Policy.

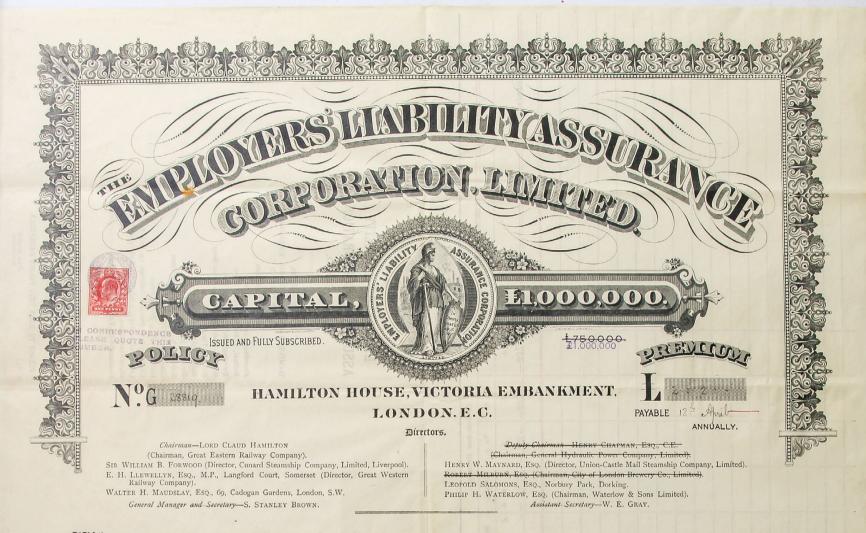

8.—If any question or difference shall arise touching the meaning of this Policy or its conditions or as to the rights, obligations, or liability of either party hereunder, the same, if required by the Corporation, shall be referred to Arbitration under the Arbitration Act, 1889, the Arbitration (Scotland) Act, 1894, or any other Act which may for the time being be in force and applicable.

9.—The Corporation shall not be bound to notice or be affected by any notice of any trust, charge, or alienation relating to this Policy, but the receipt of the Proposers shall in any case effectually discharge the Corporation.

NOTICE TO THE PROPOSERS.

No waiver of or alteration in any of the terms of this Policy, or any of its conditions, nor any endorsement thereon, will be held valid unless the same is signed or initialled by the Secretary or Assistant Secretary of the Corporation.
